

**The Research Assessment Exercise (RAE)** is conducted jointly by the Higher Education Funding Council for England (HEFCE), the Scottish Funding Council (SFC), the Higher Education Funding Council for Wales (HEFCW) and the Department for Employment and Learning, Northern Ireland (DEL).

The primary purpose of the RAE 2008 is to produce quality profiles for each submission of research activity made by institution. The four higher education funding bodies then use the quality profiles to determine their grant for research to the institution which they fund with effect from 2009-10.
